

Shetland Pony studbooks members of International Shetland Pony Committee

As you probably already know, the Dutch Shetland Pony Studbook is celebrating its 85th anniversary this year. We do this, as is customary for every lustrum, with a large two-day manifestation. This year it will take place on Friday 8th and Saturday 9th of July at the location of the Hippisch Verband Putten.

On Friday, many of our members are active in various showclasses and an extensive competition program. More than 500 Shetland Ponies have registered for this.

On Saturday there will be a wonderful show program throughout the day and the winners of the sections on Friday will compete for the title of “Manifestatie Kampioen” in many different classes.

We would like to draw your attention to our anniversary manifestation and hope to meet you on one or both of the days in Putten.
